OLYMPIAD REGISTRATION FORM

Dear Parents,

We are pleased to inform you that Xavier's Council is a national level govt. reorganization to build education & creative competitive exam platform. Liked Olympiad and Talent Hunt, this initiative is designed to promote academic excellence and encourage students to go beyond the regular curriculum.

The Olympiad provides a strong platform for students to showcase their conceptual subjects such as **English, Math, GK, Science, Reasoning** for Class LKG to VIII.

Participation not only enhances academic confidence but also offers valuable national-level exposure and competitive experience, attractive awards, certificates, and recognition for performers.

Warm Regards,
Xavier's Council
